Project Background

The new Dudley "Fun Zone" replaced an older playground that had to be closed several years ago due to deterioration, damaged equipment, and safety concerns. The updated park design was developed with input from local kids and incorporates modern playground technology, accessibility, adaptability, and equipment chosen around what kids define as fun.

Community momentum:

- **2022** Dudley Woman's Club begins fundraising outreach
- **2024** PARC grant awarded to the Town of Dudley **2026**
- **WDO Chamber continues fundraising goal**

Planned Park Features

- **Swings + slides**
  Classic play favorites with modern safety surfacing
- **Sensory play**
  Musical walkway, spring toys, sand table
- **Gathering areas**
  Picnic table, benches, hammock, lawn, shade trees
- **Accessible circulation**
  Concrete paths, safety rubber surface, HC parking access
- **Nature play**
  Lookout platform, boulder obstacle course, woods path

Local Businesses Can Help Make It Happen

The WDO Chamber is asking local businesses to consider a monetary contribution to help Dudley taxpayers offset the local cost burden for this community project. Sponsorships offer businesses a meaningful way to support families, recreation, and a long-term public asset for Dudley and surrounding towns.
